

Larry Pasquini Memorial - Conquer the Concrete ~ May 1, 2010

Oshkosh Morning Rotary Club proudly presents the **Fifth Annual Conquer the Concrete** event in downtown Oshkosh on Saturday, May 1, 2010. This family-friendly event is a one day, officially sanctioned, Wiffle Ball Tournament.

This is our Rotary Club's main fund raiser of the year. Proceeds will benefit local children through several programs including **Eyes of our Children** (eye therapy for children), **Webster Stanley P.A.L.S. Program, Take Five, The Boys & Girls Club**, and the **World Affairs Seminar** for teens.

Conquer the Concrete attracts family, youth and adult teams. **It is a fun event, open to all skill levels.** Each team consists of three members; the registration fee is \$30 per team, which covers team t-shirts and trophies. Scholarships will be available for youth teams.

Be part of Conquer the Concrete! Become one of our sponsors! Help us help local children!

Sponsors help us help our beneficiaries. Every sponsor will be acknowledged in signs all around the event; and in our community-wide advertising of the event. This is a great way to spend your promotional dollars and benefit our community.

Each sponsor level, except First Base, entitles you to have a team(s) participate in Conquer the Concrete. If you choose not to send all the teams you are entitled to, we will match your organization with Youth Teams and give them a "scholarship" to cover their registration fee. We work with the Boys & Girls Club and Webster Stanley Middle School with this team matching.

Posters are being printed soon. To be featured with your logo on the poster, please respond with a commitment as soon as possible. Sponsors will be recognized on ads, our web site and event signage.
