

Larry Pasquini Memorial
Wiffle™ Ball Tournament

Sponsored by

Hope this letter finds you well. I am writing on behalf of the Oshkosh Morning Rotary Club requesting sponsorship for our 3rd Annual **Larry Pasquini Memorial Conquer the Concrete Competition**, a family-friendly street Wiffle™ Ball Tournament to be held Saturday, April 19, 2008 from 10 am to 4 pm.

We have requested and received approval from the Oshkosh Common Council for street closure of Commerce street (between Marion and Pearl) and Pearl Ave from North Main to Commerce on Saturday April 19th from 6 am to Dusk. Tournament play will be from 10 am to 4:00 pm.

It is our intention to host and grow this event on an annual basis and to develop an inclusive spring event for the Oshkosh downtown area. Proceeds of the event will be used by Oshkosh Morning Rotary to 1) expand the event, 2) support downtown beautification, 3) contribute to community organization(s) and local Oshkosh food pantries, i.e. as part of the entry fee players must provide one food item.

Your sponsorship will assist in offsetting various set-up costs to this event. Naturally, we will acknowledge your sponsorship in the publicity for the event plus at the site of the tournament including your official logo on all player participant shirts.

Sponsorship for the “Conquer the Concrete” Family, 3 on 3 Street Wiffle™ Ball Tournament is \$500.00 Another option is an in-kind donation of a good or service, i.e. shirts, trophies, first aid etc.

Looking forward to your approval and support of this request. Any questions please feel free to contact me.

Sincerely

Jack
