January 22, 2010

LAST WEEK:

Guest:

Gloria Dorschner, VP of Student Council; Catherine Drayna, President Student Council; Nate Fitzhenry, Treasurer; Anne Pergolsk, Student Council Advisor and Marcy Peters-Felice, Principal from our PALS Webster Stanley.

Speakers:

Members of our PALS at Webster Stanley School came last Friday to tell us what they are working on. Some of the programs they are working on is anti-bullying the program. They have worked on Penny War for Haiti, raising funds for projects in that country.

They also discussed ways we could work with our PALS to do community projects and help the school.

Two programs came up in our discussions. One was to help them at their Talent Show this spring. Another opportunity is to help at their Spaghetti Dinner.

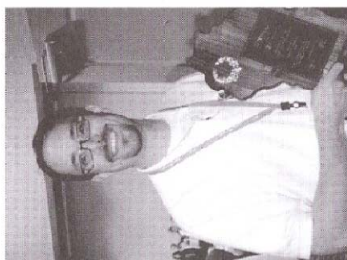

Rotary News:

Visioning for our Club will be held Feb. 4th 5 to 9 p.m. at this hotel. Dinner will be included. Please make this a priority for the future of our Club and the work it does.

Visioning Survey, as pre-work for the Feb. 4th meeting, please complete and return to Kathy ASAP. Thanks!

Get your **“possible members”** list to Ryan for mailing this month.

LOCAL ROTARIAN WINS AWARD

DR. RYAN AMES: NAMED YOUNG OPTOMETRIST OF THE YEAR!

At the 2009 Wisconsin Optometric Convention, Dr. Ryan Ames was named the Young Optometrist of the Year for Wisconsin. What makes this honor so special is the individual is nominated by his/her peers and then chosen by a board of doctors. Dr. Richard still can't figure out why he was not eligible for YOUNG Optometrist of the Year.

THIS WEEK:
Maureen Lasky, Downtown BID, Update on Main Street Construction
