LAST WEEK:

New Member Steve Hansen was in attendance.

Doug Seefeldt rode his motorcycle (nice ride) to the meeting doing a make up from the Southwest Club.

The meeting was highlighted by a seven minute slide show of Jack and his **family vacation** out west this summer. Of course one of Jack's kids put the show together. Thanks for sharing Jack!

THIS WEEK:

Today is the eighth anniversary of the 9-11 attacks. While looking for some image to put into our newsletter I came across the pictures of the planes

slamming into the World Trade Towers. I still can not look those images. So I added this picture of towers, standing tall and proud, like America. Say a prayer today for the victim families and for all of us.
