## LAST WEEK:

### Program:

Bob Stauffer on New Foundland & Labrador

## NEWS:

**PALS update.** Thank you to the members who volunteered to help provide healthy snacks to Webster Stanley school. Not everyone was present at the meeting last week, so I'm sure there will be additional interest in helping out. It's my recommendation that we try to do a big donation once a month. The first week would be Oct 22, the second week would be Nov 19. I've attached a list of Healthy Snacks that was distributed by Carl Traeger Elementary. It could be used as a guide if you'd like to donate non perishable snacks rather than fruit. Another option would be for each of us to donate money, and one person does the shopping and delivery each month. We can discuss more on Friday, and pass the sign up sheet around to the members that were not available last week.
